General Meeting. Wednesday 6th July 2016

Main Topic:

Q & A and General Discussions.....

Check for phishing by taking notice of the web address in your browser.

Safari go to Preferences Advanced and tick show full web address.

Mail go to the Preferences and select viewing turn off use smart addresses.

Apple ID go to appleid.apple.com and make sure your recovery information is up-to-date including

phone numbers, secret questions and email.

What is an RTF versus TXT file -- in TextEdit select format and then select make plain text.

This is useful when you have copied text from various locations that has unusual formatting.

You can also use inside the copy and paste function paste and match style.

Demonstration about Google sheets and Google apps.

Dropbox showing the preferences and how to exclude folders.

This is useful for smaller machines so the hard drive doesn't get too full.

Also discussed were Notes.app, Pinterest, Blogger, tumblr and WordPress.

Possible future topics will be Pinterest Instagram and Snapchat.
David demonstrated of biofeedback device for the iPhone SE its name was Inner Balance by Heart Math Inc.
The app is free but the gadget costs \$129 see also the Apple watch.
Problems with FitBit sync there is a 1300 number.
Discussion about Time Machine how do you know if it's working or not.
Committee meeting set for 20 July.

Next meeting

Wednesday 3rd August....– to be advised after first exec meeting for 16-17 year
